THE STEAM4LIFE E-LEARNING PLATFORM ON GENDER EQUALITY IN STEM OPENS FOR FREE USE!

Explore our free online learning platform tailored for higher education students and lectures.

REGISTER HERE FOR FREE: <https://elearning.steam4life.eu>

YOUR BENEFITS:

- ✓ Access practical recommendations & solutions
- ✓ Learn about gender learning scenarios
- ✓ Benefit from ready-to-use materials that you can download for free and adapt to your own needs

Co-funded by
the European Union

INTERNATIONAL CONFERENCE IN BERLIN

An international conference in Berlin was a worthy conclusion to our two-year project, on how higher education institutions can improve their gender balance in STEAM policies and programmes! Through theatre performances, presentations and keynotes, discussion rounds and group testing of the e-learning features, a broad audience was able to gain insight into the project work and its innovative results.

ACCESS AND USE OUR PRODUCTS!

Please also visit our website where you have free access to all our learning and teaching materials.

Please feel free to download, use and modify as you like:

www.steam4life.eu/project-results

All our products are completely free from charge and come with free licences.
